Summary

Computer Science undergraduate at BRAC University with a strong combination of technical expertise, business acumen, leadership, and professional communication skills. Experienced in leading initiatives, coordinating cross-functional teams, managing stakeholders, and delivering results in dynamic, high-responsibility environments. Passionate about working at the intersection of technology, business, and people, with a strong interest in corporate environments where innovative ideas can be transformed into scalable solutions and measurable business impact. Brings a versatile, adaptable, and solution-oriented mindset with the ability to understand both technical and organizational perspectives. Eager to contribute to high-performing teams, take on meaningful challenges, and grow into a well-rounded professional capable of creating value across technology and broader business functions.

Education

BRAC University <i>Bachelor of Science in Computer Science (CGPA: 3.3 / 4.0)</i>	Jan 2024 - Dec 2028 (Expected) <i>Dhaka, Bangladesh</i>
Chittagong Cantonment Public College <i>Higher Secondary Certificate (HSC) (GPA: 5.0 / 5.0)</i>	2020 - 2022 <i>Chittagong, Bangladesh</i>
Nasirabad Government High School <i>Secondary School Certificate (SSC) (GPA: 5.0 / 5.0)</i>	2015 - 2020 <i>Chittagong, Bangladesh</i>

Experience

Foodi <i>Campus Ambassador</i> - Led on-campus activation for Foodi, achieving 200+ app sign-ups in a single day through strategic student outreach and direct engagement. - Acted as a liaison between Foodi and the student community, collecting almost 50+ user feedback, answering app-related queries, and promoting key features to improve adoption. - Supported campus marketing initiatives by coordinating booth activities, managing peer ambassadors, and assisting in brand presence during large-scale university events.	Nov 2025 – May 2026 <i>Dhaka, Bangladesh</i>
QED Private University Admission Care <i>Mathematics Instructor</i> - Taught Mathematics to 4 batches (almost 40 students) in a "Sure Success" competitive admission program - Delivered 80% success rate, with students admitted to BRACU, NSU, and EWU.	Mar 2025 – Sep 2025 <i>Dhaka, Bangladesh</i>

Extra Curricular Activities

BRAC University Business Club - BIZ BEE <i>Assistant Director</i> - Managed corporate partnerships and sponsor relations across major BIZ BEE initiatives, working with organizations including Bashundhara Group, X Ceramics, Fantasy Kingdom, and Mach Shamachar; handled sponsor communication, deliverables, brand activations, and stakeholder coordination to ensure effective partnership execution. - Led the planning and on-ground execution of multiple high-impact initiatives, including major workshops, corporate engagement sessions, competitions, and the Cox's Bazar Long Tour, coordinating teams, logistics, stakeholders, and participant experience across different scales and operational requirements. - Contributed to the successful execution of national-level and inter-university initiatives, including ADWIZ 2.0 and the HSBC Business Case Competition 2026, managing industry judges, external stakeholders, backstage operations, finalist coordination, and critical event-day requirements in high-pressure environments. - Represented BIZ BEE in industry-facing and student-engagement initiatives, including corporate sessions with leading organizations and large-scale club activities, strengthening capabilities in stakeholder management, professional communication, team leadership, project execution, and relationship building; earned a double promotion in recognition of leadership, performance, and organizational impact.	Jul 2024 – Present <i>Dhaka, Bangladesh</i>
